

North Georgia Community Foundation

The North Georgia Community Foundation is a tax-exempt 501(3)(c) public charity organized and operated as a permanent collection of endowed funds for the long term benefit of a fifteen county service area.

Through these funds, the Foundation makes grants to worthy efforts through the region. The foundation directs the endowments, serves as a community resource and helps to shape effective partnerships aimed at addressing needs within the North Georgia community.

Forsyth County Public Library Fund

The Forsyth County Public Library Board of Directors established this fund in April, 2003, to provide a cost-effective and tax efficient way to enable organizations, individuals, and families to make charitable contributions and memorial gifts for the library's benefit. Building a long-term endowment for future projects will impact the quality of library services for generations to come.

The Forsyth County Friends of the Library has the distinction of giving the very first contribution to the fund.

Your tax deductible gift will grow—

- Gifts can be made in any amount.
- Make holiday gifts in honor of family, friends, or co-workers.
- A Memorial Gift is a lasting way to remember a friend, family or colleague.
- Put the Forsyth County Public Library Fund on your Annual Giving list.
- Consider making a lasting gift to the Library through estate planning. Gifts may also be made to the Library by transfer of stock, bonds or other assets.
- Ask your employer if they have a Matching Gift Program.

Yes—I want to help establish a firm financial base for the Forsyth County Public Library so it can grow as Forsyth County grows.
