READ SOMETHING NEW (TO YOU) IN 2022!

Join Forsyth County Public Library for *FCPL Reads in 2022*, a series of monthly reading goals for elementary-aged kids, teens, and adults.

Below is a list of 12 monthly goals for this program. Complete at least 6 of the 12 goals to finish the program. Goals do not need to be completed in order, they are just organized by month to align with monthly and seasonal themes.

We encourage everyone to log their progress in Beanstack (forsythpl.beanstack.org), but you can also use this paper tracker instead of or in addition to the Beanstack app or website. Check out our recommended reading lists at forsythpl.org for suggestions on what to read next!
